## **Cornhole League Forming**

This fall the Town Green will be hosting cornhole leagues on Wednesday evenings beginning Sept. 4. Organized by [CornholeATL](#), the social leagues are a chance to make new friends and enjoy an entertaining sport.

Cornhole is a unique indoor/outdoor activity bringing people together in the spirit of friendly competition. Consisting of two boards, eight bags, and a whole lot of fun, cornhole allows you to engage your competitive and friendly side as you toss a few bags and brews with friends, old and new.

This is an adult league, you must be at least 21 years old to join.

Online registration is now open and ends August 26. [Register here.](#)
