

This following is important information and instructions for the Big Quiz Show Trivia Game:

- The game takes place this Sunday, January 10th at 2:00 pm.
- If you don't already have Zoom, now is the time to download it. Every **screen** that will be playing/watching must have Zoom.
- The Zoom link for the game, which you will visit on Sunday at 1:55 pm, is: [ZOOM LINK](#) - Meeting ID: 873 9212 5446
- Only **team captains** are responsible for inputting the answers into the digital answer system. Prior to the game, each team should coordinate how you will communicate with each other during the game (for example, via: group text, Facebook Messenger, Google Hangout, WhatsApp, Skype, Slack, Discord, etc.).
- About 10–15 minutes before game time, **each team captain** should go to [PlayBigQuiz.com](#) (on any Web browser). The team captain will enter your team name (denoted as "Team Name") and the **Event Key**, which is... **50Years**
- After a team has decided on an answer to each question, the captains **enter the answer into the system**, then wait until the end of the round to submit the responses digitally. Reminder: **DO NOT SUBMIT UNTIL THE END OF THE ROUND!**
- If there are any questions or issues getting onto the Zoom or the digital answer system, please contact me- I will be "on call" before and during the game!
