A Welcoming Congregation

October 2026

Dear Members and Friends,

AUTUMN IS HERE AND THAT MEANS PLEDGE DRIVE!

This is a time of change and opportunity for UUCG. Our new minister search is underway, our mortgage is paid off, and we continue to add new members. As we enter this year's pledge drive, we encourage you to reflect on what UUCG means to you.

Everything we cherish about our congregation is made possible by the gifts of time, talents, caring, and resources from those who call UUCG home. From the music program that lifts our spirits, to Children's RE, to social justice initiatives, and to Sunday morning fellowship with inspirational messages, your gifts sustain our shared vision and our capability to put our Unitarian Universalist values into action.

And this fall, we have another reason to pledge generously. Getting the minister that we want depends on our ability to offer an attractive and compelling position. This includes a competitive total compensation package. We want the best for UUCG, and this requires that we step up and contribute to helping us get there.

As you consider your financial commitment for the coming year, we ask that you give generously, in proportion to your means, to help UUCG thrive and grow. To that end, we are asking those who can to consider a minimum **5%** increase in your pledge for 2027.
Thank you for your friendship and your ongoing support of UUCG!

With gratitude,

UUCG Board of Trustees
