## *Messages to the Congregation*

Our Congregation needs you! If each of us does what we can, we can become a congregation that can be even greater in meeting the needs of our members and this community. We need for you to come listen to our ideas, give us input, and consider how you might join in our efforts to build this beloved community!

Don't stop thinking about tomorrow!

Peace, Love, and Joy! *Jane*

Please take a moment to reflect upon our commitment "to serve human needs." In this time of Covid-19 many experience its health and/or livelihood impacts, and it is important to keep our commitment. Although we currently meet online, we still have a mortgage, utilities, insurance, and salaries to pay, not to mention the need to fund our "special needs" account. Join me in pledging your fair share to ensure that UUCG continues to exist "to serve human needs," both those of our own congregation and of the community.
