

THE DUKE OF EDINBURGH'S
INTERNATIONAL AWARD
USA

NOT ALL LEARNING HAPPENS IN THE CLASSROOM

Some skills are best developed through experience. The Duke of Edinburgh's International Award is **a personalized experiential learning program for young people ages 14 to 24**. It encourages them to improve mental and physical health, build meaningful connections, give back to their communities, and enhance leadership skills as global citizens.

A unique
**INTERNATIONAL
CREDENTIAL**

The Award offers a unique, internationally recognized accreditation for a young person's activities and experiences. It enables young people age 14 - 24 to engage in a personalized self-development program where they set goals, challenge themselves, leave their comfort zones, and gain valuable skills as global citizens of the world.
