

WELCOME

We're delighted you're here!

Whether you are visiting with us for the first time or are a longtime member, you are welcome. Please use the Connect Cards available in the entryway for any information and prayer concerns you would like to share. Our lay leaders and staff are happy to answer any questions you might have.

Children and youth are important to us. We have a crib room for infants and toddlers on the lower level of the Education building during both worship services. Children are invited to spend part of the 9:30 service with their age group, and they will be escorted to their class midway through worship. Sunday School for middle school and high school students takes place during the 11:00 service (also in the Education building).

The Christian Church (Disciples of Christ) celebrates communion weekly, and all are welcome to participate. For those who prefer, pre-packaged communion elements are available in the entryway. Offering trays and additional information may also be found there.

Thank you for worshipping with us!
