Dear Friends,

Léon and I will be returning to Haiti in mid-January! We ask for your prayers as we travel there and spend time working amongst the people. More importantly, we ask for your prayers for the people of Haiti whose suffering is greater than I have seen in my over than 28 years of working there. The fear inflicted by the gangs have crippled the people in so many ways – fear of loss of life, loss of homes and access to food, loss of a means to survive.

I have come to know people who have never lived in a home that contained a bed, a toilet, a washing machine, a refrigerator, an air conditioner or a stove. Some of these families never owned a cow to help feed their family, or a bicycle or car for transportation. These are the same people that I see in church worshipping and thanking God for all of His blessings! Their demonstration of love for their Lord puts mine to shame. But I have also known people who have never come to know Jesus as their personal Savior, but instead have believed in the power of Satan and are practicing voodoo. All of these are the people that I have come to love and who have fostered my desire to help in whatever ways that I can.

We need your help to serve these precious children of God. "WHERE NEEDED MOST" donations could help in a variety of ways, such as:

\$10,000	<i>Provides a semester of training for 30 men & women at our Trade School Theology Course. These students will later become pastors, Bible Study leaders, Sunday School teachers, and evangelists.</i>
\$7,000	<i>Provides lab equipment for our new medical clinic that is located on an island with no hospital</i>
\$5,000	<i>Provides new parts for the solar system that provides electricity to the orphanage.</i>
\$2,600	<i>Allows 500 children to attend school for one month.</i>
\$1,250	<i>Provides a community meal for families who are only eating only 4-5 meals a week.</i>
\$1,250	<i>Provides staffing for and supplies for the orphanage for one month</i>
\$1,000	<i>Repairs a roof damaged by a hurricane</i>
\$600	<i>Provides seeds for the garden that will serve the community</i>
\$400	<i>Provides pastoral care and church supplies for one month for two churches</i>
\$300	<i>Transports food to the island to feed 500 school children for one month</i>
ANY AMOUNT	<i>Can provide medical care, food, education and more!</i>
ANY AMOUNT	<i>Can help support Léon and me as we labor for God and his kingdom!</i>
