

Lighthouse

FAMILY RETREAT

Dear Homeowner,

Since 1999, Lighthouse Family Retreat has existed to strengthen families living through childhood cancer by offering restorative retreats at the beach that support the entire family. For many years Lighthouse has hosted a retreat in Watercolor, FL. We were excited to be back in 2021 after a year off due to the pandemic.

You are receiving this letter because we are coming back in the Fall of 2022. As we plan towards this Fall, we are asking you to consider giving an in-kind gift of a week-long stay at your home the week of September 25th – October 2nd to provide a family with a child with cancer a week away from the chaos of hospitals and treatment.

Childhood cancer impacts more than just the child, which is why we are focused on providing a week of rest and restoration for the whole family. Over the years in Watercolor, families who are living through childhood cancer have been able to re-connect and create memories that they will never forget because of the generosity of homeowners like you. Single parents and married couples who often felt isolated and alone have been given the opportunity to share their stories and connect with other parents going through similar circumstances, and kids have been loved on by volunteer families who spent time with them in the pool at Camp Watercolor, or playing games on the beach.

We hope you will consider partnering with us to bring these families to Watercolor! Lighthouse is a 501c3 organization, so the value of your donation is tax deductible. Watercolor is a wonderful community that makes sure we have all the amenity cards that we need so there is no need for you to supply them.

To make a donation, or if you have any questions, please call or email me at your earliest convenience.

Sincerely,

Mark Paul
