#GIVING  
TUESDAY™

## fill it up & bring it back

Coins collected will fund school enhancements as well as **specific requests by our classroom teachers.** Please see reverse for details!

## make it virtual

Set up your virtual coin box on our Annual Appeal platform and share your child's box with family and friends.

It's as easy as **texting mmsnolimits to 76278** or visiting **[mmsnolimits.givesmart.com](https://mmsnolimits.givesmart.com)**. Set up your virtual coin box by following instructions in the "Champions" section at the bottom of the campaign page.

The coin drive gives all students a fun and educational way to help their school and kicks off the Annual Appeal-- a major end-of-year fundraiser that generates critical support for faculty (training and appreciation), families (financial aid) and facilities. The coin drive is the student component of the campaign.

# 2023 MMS Annual Appeal

**"Learning Without Limits,"** the 2023 MMS Annual Appeal, provides **essential funding** for your child's classroom and school. This year's goal is \$20,000. Your education investment will help fund:

- **Facilities:** continuing indoor and outdoor learning environment enhancements for all students.
- **Faculty:** sending one guide from each level (Toddler, Primary, Elementary and Middle School) to the 2024 AMS Montessori event, the largest gathering of Montessori educators in the world, and support the professional development and growth of all staff.
- **Families:** continuing to widen access to our programs through financial aid and scholarships.

We budget for 100 percent participation to reach our goal. No gift is too small to make a difference. It's as easy as texting **mmsnolimits to 76278**! Please watch your mailbox, email and social media for details in the campaign roll out in the days and weeks ahead.

Each year, students kick off the Annual Appeal with a coin drive. The coin drive funds enhancements that benefit all children and the following classroom wish list items below:
