WHY ATTEND?

Offering at least 8 PDHs, the agency offers an opportunity for local engineers and road supervisors to learn best practices that relate to day-to-day work in engineering, maintenance, construction, and public works. It is our goal to cover session topics that are timely, relevant and diverse. We also provide our industry experts an opportunity to highlight their products and services that may provide solutions to local issues.

Tentative Agenda Topics:

- PJAL Legislative Updates
- Pavement and Asset Information for Local Agency Use
- Off-System Bridge Updates
- Capital Outlay Projects: From Beginning to End
- Local Agency Success Stories in Disaster Preparedness and Recovery
- Louisiana Watershed Initiative - Hydrologic & Hydraulic (H&H) Models
- Innovative Traffic Safety Tools Using AI
- Implementing Public Work Order Systems & Software
- Cured-in-Place Pipe (CIPP) Rehabilitation and Trenchless Technologies
- LPESA Associate Member Showcases
- Engineering Ethics and Professionalism
- ... and much more!
