WHY ATTEND?

Offering at least 6 PDHs, the LPESA conference offers an opportunity for local engineers and supervisors to learn best practices that relate to day-to-day work in engineering, maintenance, construction, and public works. It is our goal to cover session topics that are timely, relevant and diverse. We also provide our industry experts an opportunity to highlight their products and services that may provide solutions to local issues.

Tentative Agenda Topics:

- Technologies of Efficiency in Road Maintenance
- Safe Streets for All (SS4A) Discretionary Grant
- Local Road Safety: Before and After Projects
- The Dig Law and Heavy Equipment Safety Resources
- GIS Data Applications for Road Improvements
- EDC-7 Innovations That Locals Can Deploy
- NACE Updates
- FAQs in Public Bid Law and PJAL Updates
- Condition Assessment for Pavement Preservation
- Successful Implementation of Flood Control and Hurricane Mitigation Project in Coastal Parishes
- Associate Member Showcases

... and much more!
