Health and Science Journalism Workshop

This one-day workshop is designed to expose aspiring journalists with the necessary skills and knowledge to excel in reporting on health and scientific topics. Through interactive sessions, expert insights, and a practical exercise, participants will learn the art of translating complex scientific concepts into compelling stories.

Scheduled speakers include

Greg Bacon, Editor, Dunkirk Observer
Lauren Webber, Health Reporter, Washington Post
Shelly Wells, Public Health Educator
Dr. Lillian Ney, Chautauqua County Health Board
Walt Pickut, Editor, Jamestown Gazette and science writer
David Isaak, User Support Librarian, U.S. Government Publishing Office
Kalan Brown, Data Analyst, Chautauqua Health Network

- No cost to participants
- Designed for Junior and Seniors in advanced English courses and student-led journalism programs
- Register your interest by emailing **schools@chq.health**.
