

# BI-CAP

# Energy Assistance Program

Do you need help with your heating and electric bills?  
Do you live in Beltrami or Cass County?

This program provides financial assistance for households to help pay a portion of their home heating & electric costs. The grants are sent directly to household's fuel and/or electric vendors. To qualify for this program, you must complete an application & meet income guidelines.

## 2021 Maximum Energy Assistance Program Income Guidelines
