## Online Video- Barral VM1–Virtual Review

Streaming video for your computer or digital device.

Here's what your fellow therapists are saying about this online video that you can stream from your own device:

*"I loved how the hands-on demonstrations were slow and precise"*

*"It's been a while since I've taken the live class, this added greatly to my experience and helped reignite my desire to understand and use this material."*

*"An excellent refresher after being in a live class."*

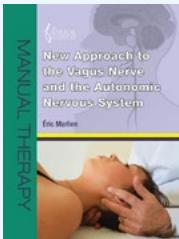

## Fascia: The Inverwoven Body Trifold Reference Chart

This trifold reference chart, developed with Tad Wanveer, LMBT, CST-D, shows fascia as the body's foundational substance in a clear, detailed and fascinating manner.
