

***Christine Kane*** joined Audubon International as the organization's Executive Director in October 2016 and assumed the title of Chief Executive Officer in 2018. She is responsible for overseeing all aspects of the nonprofit organization's operations, including its seven core programs, two conservation initiatives, member services for 2,200+ members in 34 countries, corporate sponsorships and supervising a staff of 10.

In addition, Ms. Kane is Vice President of the Board of Trustees for The FairWays Foundation, which provides grants for conservation-based projects around the world.

Kane has served at the senior management level in the nonprofit sector for over 25 years and is skilled in program development, strategic planning, fundraising and communications. Her experience in the environmental sector includes work on a wide range of environmental issues including hazardous waste site identification, BMPs for non-point source water pollution, land conservation and trail management.

She holds a Master of Science degree in Nonprofit Management and Philanthropy from Bay Path University, a Bachelor of Science in Forestry from the SUNY College of Environmental Science and Forestry and the CFRE credential (Certified Fundraising Executive), the only internationally recognized, professional credential for fundraising professionals.
