Tora Ramen

Arvada Villa Italian Restaurant

On October 16th we held our inaugural Stone Soup Event with over 150 Jeffco Eats supporters attending at Baldoria on the Water in Lakewood. The evening started with attendees bidding in the silent auction on soup bowls created by youth and various artists. Then, guests enjoyed tasting soups served and donated by nine local chefs. Brian Freeman, a Jeffco Eats Board Member, served as our emcee for the night. In all, the evening raised $38,000 for feeding hungry children in Jefferson County.

We look forward to our next event in 2026 and hope to see you there. We will share the details of where and when as soon as they are confirmed.
