

2025 Jeffco Eats Food Drives

In addition to monetary donations, Jeffco Eats depends on in-kind contributions from food drives. In 2025, we collected over 15,000 pounds of food through food drives organized for us. These drives are a great opportunity for businesses and corporate teams to support the community and provide healthy meals to children and families in Jefferson County.

We thank the groups that helped achieve over 15,000 pounds of food this year, whether by hosting their own food drives or volunteering at Jeffco Eats-organized food drives at local King Soopers.
