

Meet the Estimators

Connecticut Subcontractor Association

April 20, 2017

Maneeley's
South Windsor, CT
5:00 pm - 7:30 pm

The purpose of the meeting is to provide the state's subcontractors with the chance to meet the estimators/purchasing teams from some of Connecticut's leading general contractors.

For the General Contractor

Each general contractor will have a table set up around the ballroom so that you can meet, visit with, and learn about each subcontractor's experience, capabilities and expertise. The event will provide you with a great networking opportunity to meet with subcontractors you want to work with and the chance to "put a face to the name" of people you may periodically interact with but rarely see in person!

Fees: Each general contractor can register two people to attend and there is no charge to participate. General contractors can register additional personnel for \$40 per person.

For the Subcontractor

The event will provide you with the chance to meet the general contractors you want to work with. This is a great opportunity to open doors in establishing new leads and networking with all construction trades.

Each general contractor will have its own table staffed by several representatives for subcontractors to meet, visit, and discuss how they bid their work.

This meeting will be set up as a reception. Food stations will be positioned throughout the room. During the event, you will have time to have a drink, enjoy some food, and network with your colleagues and, of course, meet with the general contractors.

Fees: CSA Subcontractor Members < 4/1/17 = \$55.00 Non Members = \$125.00
CSA Subcontractor Members > 4/1/17 = \$75.00

SPONSOR

CSA Meet the Estimator Sponsorship

General contractors and subcontractors are both invited to become a CSA Meet the Estimator Sponsor. The cost is \$250. As a sponsor, CSA will

- Place your logo on the CSA website, linked to your company website;
- Create and display a sponsorship sign with your company logo at the event;
- Provide sponsor ribbons for all company attendees; and
- Give your company special recognition during the program, in the marketing materials and in the meeting booklet.

Agenda
