Correspondent Banking Certificate Program - ONLINE

This course is designed for both U.S. financial institutions offering correspondent banking as well as for foreign financial institutions which have or are seeking U.S. correspondent banking relationships. The workshop will provide a greater understanding and appreciation for the requirements of the correspondent banking relationship to foreign financial institutions.

NEXT CORRESPONDENT BANKING ONLINE PROGRAMME

Start Date – June 3rd, 2021

The 60-day Online Course allows participants to access materials 24/7 and apply practical knowledge through interactive activities and case studies.

The risks posed by Correspondent Banking are of concern to regulators, bankers and money managers.
