

Dyeing class on Sat Aug 10 with Joe Cole

This years featured dyeing class at The Knitter's Edge is called "Speckle It !" and hopefully by the title you can guess what you'll be doing. That's right, we'll be doing one of the many speckling dye methods. You'll also get the option to do a lite single color over dye.

Adult Class- Saturday Aug 10 — 10-12pm

Class cost is \$30 per person, this includes use of dyes and other materials needed for dyeing. Does not include yarn. Class fee only covers the dyeing of 1 skein. Additional skeins may be dyed at a fee of \$5 cash per skein.

The Knitter's edge will have undyed yarn and sock blanks (superwash only for this method) for sale in the shop the day of. PLEASE NO OUTSIDE YARN.

Please wear something comfortable that you do not mind getting ruined. This method of speckling can get messy and you might get dye on clothing.

The afternoon Session on Saturday Aug 10 is our Kids class where they will be dyeing Natural wool fiber to be used in conjunction with an upcoming felting class with Marilyn on Saturday Aug 24. On that later date students will make felted soap bars by wrapping bars of soap (provided) with their dyed roving and wet felting the bars during class. This has been a much loved fun class.

The Knitter's Edge will be providing the roving wool to dye.

This session is from 1pm - 3pm  
Cost for class is \$15 (Cash Only)

If you'd like to attend either one of the sessions contact The Knitter's Edge by phone at 610-419-9276
