Fabric:

You don’t need to buy fabric especially for this class unless you want to. Bring a box or small suitcase of fabrics that you like together, remembering that it’s important to have a range of values from light to medium to dark so you will have contrast in your work.

If you want to be specific, bring fabric representing the color wheel—red, pink, orange, yellow, green, blue, turquoise, purple. Also include neutrals including black and white, and brown and gray in a range of values.

Part of the fun is making do with what you have. It’s fine to bring solids, prints or a combination. Scraps or fat quarters are also fine, but you will need some yardage for the large free hand cut curves.
