

# The Poetry of Quilting with Lesley Riley

## Supply List

**Fabric:** Old torn or re-purposed clothing, quilting scraps, fat quarters, dishtowels, decorator samples, lace, silks, your sewing friend's leftovers. Be bold and cut into your hand-dyed or printed treasures, too. The more variety the better. Think color, scale, texture, contrast. Plan to share to increase your variety. You will need a few 4-6 pieces approx 18x24" for backgrounds, but the rest can be FQ size or smaller.

**Optional: Batting** (or felt) and backing fabric if you want to complete your quilt tops in class.

**Photos:** Bring several (3-10) photos that you plan to use. If you have the skills to edit and enhance your photos or have studied my Spring 2023 *Photo Memory Quilts* book (*highly recommended for this class!*) you can print or transfer them onto fabric prior to the class. Otherwise, bring your photos and learn to edit, enhance and print them with Lesley in class.

**Poems & Quotes:** Bring ones that inspire, speak to, and/or move you. 5-10 is good.

**Collage & Ephemera:** decorative or old papers, small, lightweight ephemera
