

Upcoming Training! Bridging Family & Community Engagement with Behavioral Health

California Family and Community Engagement Initiative (CA FACE) along with representatives from Orange County Department of Education and Santa Clara County Office of Education are offering a one time training through the CYBHI School Linked Partnership & Capacity Grants **on how to engage in family and community engagement (FACE) around behavioral health services.**

The training will begin with FACE 101, introducing key resources, supports, and the framework that guides the work. It then moves into communication planning, highlighting the importance of both internal and external communication and offering practical tools like templates and sample scripts for discussing health insurance with families, including social media strategies.

This training is open to any LEA and COE staff. Register [here](#).

An illustration of five hands of different skin tones (light pink, dark brown, light brown, dark brown, light pink) reaching out and holding a pink heart in the center. The hands are arranged in a circle, with the fingers pointing towards the heart.
