

# ASC Global Sourcing and Supply Chain Division

American Standard Circuits  
Creative Innovations In Flex, Digital & Microwave Circuits

## COMPANY OVERVIEW

ASC Global Sourcing is a division of American Standard Circuits located in West Chicago, IL. ASC was founded in 1988 and is a manufacturer of all types of printed circuit boards. The Global Sourcing division was established to help our customers remain competitive in today's competitive marketplace by helping them source custom electronic products from our low-cost country partners. We have a well-established supply base which allows us to offer our customers a wide array of products such as printed circuit boards, transformers, wire harnesses, metal fabrications and all types of plastics. Our products are warehoused in West Chicago, IL and can be shipped within 24 hours and only when you need them. Give us a chance to show you what we can do, and we will do our best to provide you with quality product, on time at a competitive price with great service!
