

Below is a list of the different ways the Champion Provider Fellowship team can support you and your community change efforts.

1. Consultation on writing pieces for publication
2. Preparation for media interviews and/or public testimonials
3. Connection with subject matter experts
4. Provision of data, reports and research articles relevant to community change efforts
5. Feedback on action plans and PSE implementation strategies
6. Connectivity with other Fellows (2014 & 2017)
7. Access to GoToWebinar for hosting meetings/webinars
8. Access to Champion Provider Fellowship conference call line
