Fort Washington Country Club

10272 N. Millbrook Avenue

Fresno, CA 93730

2 CEUs &  
2 CMEs  
Available!

## Soe Naing, MD, MRCP(UK), FACE

Associate Clinical Professor of Medicine

Director of Division of Endocrinology

Medical Director of Community Diabetes Care Center, UCSF Fresno

Title: ***Update in Pharmacological Management of Type 2 Diabetes Mellitus for Primary Care Providers***

Objectives:

- Identify therapeutic strategies for available anti-diabetic agents for the treatment of type 2 diabetes.
- Apply a patient-centered approach to the current guidelines for intensifying therapy to achieve good glycemic control.
- Demonstrate the ability to advance glycemic therapies for type 2 diabetes to other non-insulin and insulin therapies when initial treatments are not achieving recommended goals.

## Jay H. Shubrook DO FACOFP, FAAFP

Director of Clinical Research and Diabetes Services, Touro University California College of Osteopathic Medicine

Title: ***The Physician's Role in Diabetes Prevention***

Objectives:

- Discuss screening for pre-diabetes in an office setting.
- Explore best practices in diabetes prevention in your practice.
- How do we know if it works-getting timely feedback from Diabetes Prevention Program.
