Monday: Pope Francis and the Call to Parish Renewal

Pope Francis, like his namesake, invites people of faith to walk in the footsteps of Jesus. Membership means discipleship! And discipleship brings life, light and leaven to the world. Our speaker this evening will speak to Pope Francis' dynamic Vatican II dream for the Catholic parish and the extraordinary invitation that the Gospel extends to each one of us, and all of us together. Parish renewal will be an exciting chapter!

Tuesday: Jesus and the Call to Compassion

The Gospels speak to a life-changing, life-giving way to be human, to be faithful. The teachings of Jesus are intended to bring life to each one of us, life in abundance. Not surprisingly, life in abundance goes hand in hand with love in abundance. Our speaker this evening will explore the Gospel call to love in abundance, providing both a vision and practical steps about how we might say "Yes!" or "Amen!" to the call. - Warning: you'll have to leave fear behind!

Wednesday: YOU and the Call to Serve Others

At the end of his life, St. Francis of Assisi said, *"I did what was mine to do. Now, go, do what is yours to do."*

What is yours to do? How do you use your gifts/skills to live into the Gospel call to love our neighbors as ourselves (Mark 12:31)? Building on nights one and two, tonight's presenter will invite parishioners into conversation that will help answer the questions "now what?" and "what's possible."
