**RESOLUTION PROCLAIMING EXISTENCE OF A LOCAL EMERGENCY AND
REQUESTING THE UNITED STATES CONGRESS TO PROVIDE DIRECT RENTAL
HOUSING ASSISTANCE FOR COVID-19 PANDEMIC**

WHEREAS, the World Health Organization, the President of the United States, the Governor of the State of <Insert State>, the <Insert City/Town Commission/Council> of the City of <Insert Municipality> have all declared states of emergency as a result of the Coronavirus Disease (“COVID-19”);

WHEREAS, COVID-19 has been deemed controllable via the implementation of precautionary measures such as stay-at-home orders and requiring “non-essential” businesses to either close or severely curtail contact for the purposes of stopping the spread of the disease;

WHEREAS, the precautionary measure has severely disrupted the economy limiting the productivity of businesses and the income of employees;

WHEREAS, in recognition of this unprecedented public health crisis, the United States Congress has passed three stimulus bills to mitigate for losses due to COVID-19;

WHEREAS, according to the 2018 American Community Survey, of the 122 million U.S. households, 44 million were renter households with an annual median income of \$41,000, making the rental population more likely to be financially disrupted by COVID-19;

WHEREAS, COVID-19 has the potential to create a crisis-level nonpayment of rent scenario that both negatively impacts the property owner’s ability to maintain management and upkeep of the property at a time when many are sheltered in their units, and contribute significant property tax revenue that fund vital community services;
