September 21, 2018.

1 in 5 students face learning or attention issues (NCLD 2017). These learners are the focus of the Learning Disabilities Association of Indiana (LDA-IN). LDA-IN is a non-profit 501(c)(3) affiliate of the Learning Disabilities Association of America, which is dedicated to enhancing the quality of life for individuals with learning disabilities (LD) along with their families: we strive to assist those affected by learning disabilities through providing information and resources and inspiring them to reach their full potential.

On November 2, 2018, in Carmel, Indiana, we are presenting our 44th annual conference: **Strategies for Success**. We are seeking your financial support of this event. We are hoping that you will help us provide important information for the attendees - parents, teachers, and other educational professionals – who will come together to learn and share new ideas. Rick Lavoie, a National renowned special educator is presenting inspiring morning and afternoon keynotes. To see the full conference offerings, please see the *Conference-at-a-Glance* included with this letter.

This is a wonderful opportunity to advertise your business. Your support of our conference will assist financing the keynote speaker fees, printing cost of conference materials, facility costs as well as subsidizing university/college students' registrations. We have several different levels of sponsorship: *Diamond (\$1000 & above)*, *Platinum (\$500-\$999)*, *Gold (\$250-\$499)*, *Silver (\$100-\$249)*, *Bronze (\$50-\$99)*, *A Friend of LDA-IN (up to \$49)*. A complete list of benefits for each level is enclosed here along with directions for donating.

We hope that you will help sponsor our event. It is a great opportunity to support education in Indiana, assisting students who experience challenges in learning along with helping teachers learn effective strategies for the classroom and also parents around the homework table. We greatly appreciate your consideration.

Respectively,

Learning Disabilities Association of Indiana
