HIGH SCHOOL **AUDIO ENGINEERING & VIDEO PRODUCTION PROGRAM**

- **This hands-on media program** introduces students to music and video production in a fun, creative environment. These young creators will learn to *make beats, record and mix music and explore how studio equipment works.*

They'll also develop video skills like *filming, lighting and editing while creating their own digital content.*

This amazing summer opportunity builds skills through real-world media experience.

- **July 13 - July 24, 2026 | 12:00 p.m. - 4:00 p.m.**

Washington Square | 8343 Fairhaven Dr, Gaithersburg MD, 20877

For more information, email youth@hocmc.org

Accommodations, such as aides and services, can be provided upon request. To best serve you, we require as much advance notice as possible - at least five (5) full business days prior to the event. To request any reasonable accommodation to participate, please call (240) 627-9601 and leave a detailed message with the request and contact information. Or you can email datrina.childers@hocmc.org. In all situations, a good faith effort will be made to provide the accommodation.

DRONE & ROBOTICS MIDDLE SCHOOL STEM MASH-UP PROGRAM

- The drone robotics middle school mash up program is a **week-long robotics and coding experience** that offers middle school students an assortment of STEM-focused hands-on and engaging activities led by *Escape Velocity Academy*.

► **July 20 - July 24, 2026 | 9:00 a.m. - 4:00 p.m.**
