

WE DON'T SEE COLLAR. Not Blue. Not White. Just, Right!

Electrical professionals combine hands-on technology, mathematics, and problem-solving skills. IEC Chesapeake/IECC offers career circuits in the electrical industry:

- ▶ IECC WORKFORCE DEVELOPMENT PROGRAM CIRCUIT
- ▶ IECC APPRENTICESHIP PROGRAM CIRCUIT: Four Year Fully Accredited
- ▶ IECC TELECOMM TECHNICIAN CIRCUIT: Three Year, BICSI recognized program
- ▶ IECC ELECTRICAL INDUSTRY CIRCUIT

For 35 years we have been training electrical apprentices, telecom technician apprentices, and programs for Workforce Development.

We offer eleven brick and mortar electrical apprenticeship locations and have offered an online electrical training program since 2013.
