

CERTIFIED NURSING ASSISTANT (CNA)

Course Dates: October 5, 2020 to Dec. 11, 2020

Virtual Monday–Friday • 9 a.m.–3 p.m.

Program Description:

Improve your English, math, reading, study computer, and work-related skills. Learn how to take care of patients and residents in a clinical setting and how to take blood pressure, feed and bathe patients, use CPR if a person is having a heart attack or not breathing, help patients move safely, work with medical records and medical technology, and work as part of a healthcare team of professionals.

Program Requirements

- You must be a Maryland resident.
- Must have high school diploma.
- You must need help with English, reading, and/or math skills.
- You must be ready to study hard and to work in health care.

Program Benefits

- FREE classroom and clinical training to prepare you for the state certification exam.
- Classes to help you with English, reading, and math skills for the test and job.
- Computer skills to help you on the job.
- Help finding a job, keeping a job, and moving up to the next job.

CNA Career Benefits

- Starting salary about \$15/hour.
- Flexible schedules—day, night, and weekend.
- Health and life insurance, retirement.
- Paid holidays, vacation, and sick leave.
