This program is made possible by a generous grant from the PNC Foundation

- ▶ HOC is here to help you achieve your homeownership goals! Join us for a valuable information session and learn all about the new *HOC Homebuyer Advantage Club*. This program is designed to prepare you for the exciting, but somewhat complicated, process of purchasing a home. This session will explain how the club works, review the valuable services and resources available to club members and show you how your participation can earn rewards that contribute directly toward your home purchase.

Accommodations, such as aides and services, can be provided upon request. To best serve you, we require as much advance notice as possible - at least five (5) full business days prior to the event. To request any reasonable accommodation to participate, please call (240) 528-4858 and leave a detailed message with the request and contact information or you can email sonya.dease@hocmc.org. In all situations, a good faith effort will be made to provide the accommodation.
