**Ascension Borgess Allegan Foundation**

## 2021 Proceeds Benefiting Advanced Digital Mammography Services at Ascension Borgess Allegan Hospital

For 30 years the Ascension Borgess Allegan Foundation golf tournament has been supporting life-saving care and clinical advancements at Ascension Borgess Allegan Hospital.

Proceeds from this year's Golf for Health Tournament will help bring advanced digital mammography and breast health imaging services to the Allegan community through the acquisition of Hologic Selenia Dimensions 3D Tomosynthesis Performance System.

This system can be used to perform screening and diagnostic mammography, as well as interventional procedures and breast tomosynthesis. The addition of advanced 3D breast screening to regular breast cancer screening increases cancer detection by 27% and increases invasive cancer detection by 40%.

Join us at our 30th Annual Golf for Health benefiting the Perrigo Imaging Center at Ascension Borgess Allegan Hospital.

### 2021 Golf Committee
