## PROGRAM INFORMATION FOR PARENTS

- Healthy Kids Extended Day Programs offers 1, 2, 3, 4 and 5 day a week options.
- Children eligible to participate in the Healthy Kids Extended Day Program must be registered in elementary school or a pre-k program.
- Prior to beginning any Healthy Kids Program, all children are *required* to have a complete application on file including their medical history.
- If your child requires an epi-pen or an inhaler, you must fill out an Individual Health Care Plan for your child, and provide the program with the necessary medication for your child so we may assist in administering the medication if needed during program hours. This **must** be provided before your child starts the program.
- The program follows the schools district calendar.
- Healthy Kids is unable to provide supervision of students whose personal needs are greater than regulated staffing ratios allow.
- The Healthy Kids Extended Day Program operates under a license from the NYS OCFS which oversees and regulates childcare programs. Among the requirements of the license is a full background check of all staff (including fingerprinting).
- All parents/guardians must follow proper sign in and sign out procedures. We cannot overstate how important this is. If child (ren) is leaving with an approved person but someone other than their parent/guardian, photo identification must be presented.
- Children cannot attend program if they have a fever or contagious illness.
- Parents will be notified, and children must be picked up in the event of illness.
- Children must stay with group/leader at all times.
- Appropriate attire must be worn at all times. Please label all children's items.
- Healthy snack time will be provided daily for after school children, parents please send your child to program with a snack daily.
- Please leave all electronic devices at home. The only exception is cell phones which are to remain in the child's book-bags and are only to be used for emergency communication with parent/guardian.

We ask all parents to go over this code of conduct with enrolled children. We place a high importance on all students treating others in a positive, respectful way. We follow a progressive discipline philosophy and will bring the parent in early in the process.

**Healthy Kids Extended Day Program Code of Conduct**

- We will always place safety first; which will mean regular buddy checks, safety drills and procedures to ensure child safety. Safety procedures are priority #1.
- Children are expected to be respectful, honest and kind. Use positive language, be gracious competitors, show good sports etiquette and share
- Be considerate to others and to the environment by cleaning up after yourselves.
- In a group situation, please no talking while someone else is speaking, always raise your hand if you have something to contribute and use inside voices indoors.
- Follow your program staff's directions, if you do not understand, ask questions!!!
- We have zero tolerance for violence and believe that there are no reasons or circumstances that call for violence. We require children to bring issues to staff person's attention for help in solving them before it escalates to violence.

**Consequences of not following code of conduct**

- The Director will determine disciplinary action after staff reports incidents. Consequences may include (1) a gentle reminder (2) a few minutes aside from group activity (3) call guardian and leave for the day (4) child will be removed from the program with no refund.
- Healthy Kids Extended Day Program reserves the right to immediately dismiss any child from the program for extremely disruptive behavior, for behavior placing a student/staff safety in jeopardy or any violence. Examples include but are not limited to: (1) intentionally hurting another child (2) stealing (3) refusing to comply with a safety directive (4) inappropriate language (5) violence, etc.
- Any child who harms another can be expelled, WITH NO REFUND of tuition. This includes pushing, biting, and kicking, etc.

**Parent Handbook**

You will find lots more information in the parent handbook. You can find a printable version of the Parent Handbook on our website, [www.HealthyKidsPrograms.com](http://www.HealthyKidsPrograms.com) and you will receive a copy via e-mail as part of your registration confirmation correspondence.
