## CDC Offers Guidelines for Fully Vaccinated People

**CDC and Shelby County Issue New Guidelines for Fully Vaccinated People.** If you have received a full course of COVID-19 vaccine and waited 2 weeks after receiving your second shot or your first shot of the Johnson & Johnson vaccine, you can resume activities that you did prior to the pandemic.

Masks are still highly recommended.

Masks must be worn if:

- A "mask must be worn" note is posted
- It's a requirement of a private business
- Entering Federal property
- On public transportation
- You are not vaccinated and around people who don't live with you.

**If you haven't been vaccinated yet, find a vaccine.** Until you are vaccinated, wear a mask, stay 6 feet apart, and wash your hands.

If you are fully vaccinated, remember you can still be infected with or "carry" the virus that causes COVID-19 while not feeling sick or having symptoms. Please read the June *Tidings* for a more detailed article.

## Vacation Bible School

This year's VBS ran with the theme "Treasured". Campers will join us and bring a witness at both services today.

Considering non-traditional options for returning your tithes and giving your offerings to GUMC? On Thursday, June 17, from 6-7pm, GUMC will host an online meeting with Julie Kinney of Merrill Lynch Wealth Management.
