

## 2022-2023 Planning Calendars

We are not going to place a bulk order for churches this year. While our office is open on a limited basis, we are not prepared to have a pick-up in our office.

The PCUSA is now taking pre-orders for the 2022-2023 calendar. It is a 19-month calendar that contains many planning aids for pastors and other church leaders. Includes lectionary for Sundays and special days, liturgical days, liturgical colors, resource information for PC(USA) programmatic emphases, updated synod, presbytery and Presbyterian Mission Agency staff directories, color foldout synod/presbytery and world maps.

We are encouraging those that want calendars to place their orders directly with the PCUSA Store with the link below. They will be shipped directly to you, eliminating multiple touch points and the need to pick them up.
