Growing *in Grace*

Everybody has a story.

Telling our stories even to ourselves gives us insight into where we have been, where we are going and how we might get there.

What does your story tell you about where God is and what God has in mind and heart for you?

On September 30, Growing in Grace invites you to explore the arc of your story, noting moments of grace, loss, triumph, joy, and other important times in your life. You will use paper, pencils, crayons, and markers as tools to visually represent your story in whatever makes sense to you. We will then invite you to share whatever part of your story you care to.
