You've been told since you started school that you need to go away to college. Leave home, get an education, and begin "adulting."

The Bible can be considered one big story of leaving home in order to find it (along with the hazards and holy moments along the way.) It's inspired countless Christians to journey, to search, to become pilgrims.

Don't make a decision about where you'll go or who you'll be in college without considering this conference.

Join us as we explore the Bible as a playbook for leaving home. We will walk through Genesis to Revelation and explore this theme throughout the Scriptures. Then, we will look at the life of St. Anthony the Great, who decided to leave home and go to the desert simply by hearing the Gospel.
