October is Respect Life Month

In honor of Respect Life month, Safe Families for Children's Ministry at St. Alphonsus is looking for volunteer babysitters to support moms and families in need! If you would like to join the network of babysitters, reach out to Safe Families and they will provide more info, training, and a background check, so you are ready to go when the need arises!

The Faith Formation Leaders' Kit offers action guides, intercessions, and activities to help catechists to build a culture of life within their formation sessions.

During Respect Life Month we invite you to rejoice in the beauty of the individual person. Join the Sisters of Life, CampCampo, and the McGrath Institute on a journey to understand what it means to truly accompany someone into God's life and freedom.

Walking with Moms in Need is a response to Pope Francis' repeated challenge for Catholic parishes and communities "walk in the shoes" of local pregnant and parenting women in need.. To join this effort, please contact Dawn Fitzpatrick, Senior Coordinator Respect Life Ministries for more information.

First Saturday of the month, 8 a.m.; followed by praying the pro-life rosary; at Blessed Sacrament Parish, 3745 S. Paulina St.

These Respect Life Materials include posters, reflections, bulletin inserts, graphics, prayer guides and more to help your parish community care for moms and show respect for life.

The Youth Ministry Leaders' Kit will help youth ministry leaders build a culture of life throughout the year, whenever Respect Life themes best fit into their youth ministry programming.
