Comments from women in our parish...

- "It is a beautiful program which should be offered at all parishes. Wonderful opportunity to meet women and draw strength from the different stages in life we are at and the different levels of faith as well. Highly recommend it is life changing."

- "WWP provides a wonderful opportunity to grow faith and friendships. It has been an instrumental part of my life."
- "Walking with Purpose has changed my life for the better and I hope that this ministry continues to grow and enables other women to form a meaningful deep relationship with our Lord."
