About us

The Knights of Columbus are the world's largest Catholic fraternal service organization. Founded in the United States in 1882 by Father Michael J. McGivney, there are more than 1.8 million members in over 15,000 councils across the globe. Dedicated to the principles of Charity, Unity, Fraternity, and Patriotism, the Knights of Columbus organize and participate in numerous charitable activities each year that are designed to benefit their parish communities, to help their brother Knights grow deeper in their faith as Catholic men, and to serve the needy and less fortunate in the world.
