

Treat Your Marriage to a Unique Weekend Experience

Learn the Art of Living your Marriage Journey

"Living together is an art, a patient, beautiful, fascinating journey. It does not end once you have won each other's love...Rather; it is precisely there where the journey begins"
POPE FRANCIS, February 14, 2014

As Pope Francis states living together is an art and can be a beautiful journey. Marriage can be challenging with family, work, finances, kids, busy schedules and all that life offers. Losing focus on what is important in life is easy.

A Worldwide Marriage Encounter weekend experience focuses on what's important in your marriage and provides the tools to live a beautiful journey together.

- **Who is it for?** Any married couple that desires a richer, fuller life together.
- **Who presents the weekend experience?** 3 Catholic Couples and a Priest
- **Is there group sharing?** No, the series of presentations are followed by couple's time for discernment and discussion in the privacy of their room.
- **How is a Worldwide Marriage Encounter weekend experience different?** The weekend experience is not retreat, group therapy or marriage counseling. The weekend experience provides a quiet, meditative environment for couples to focus on one another and their relationship.
