A Message From the Pastor

Traffic Alerts, Up Above, and on the Ground

As I sat down to write this, I was caught off guard by the sudden overhead roaring from the Air Force's Thunderbirds flying overhead, practicing for the annual Air & Water Show happening in Chicago this weekend. Perhaps as you read this you yourself are hearing them, too! As the jets circle around the neighborhood and parish, using our steeple as a navigational landmark, their mighty roar certainly lives up to their name.

I happen to be a bit of a fan of the Air Show, so the increase of air traffic for a late summer weekend is a welcome event (unless the roar of a jet drowns out the punch line of a dad joke.) However, this late summer weekend also heralds an increase of vehicular traffic on the roads because school will begin next week. In a convergence of a few very unfortunate circumstances, the start of this school year will cause an increase in traffic issues, especially at the intersection of Lincoln, Southport & Wellington right outside the church.

First and foremost, the crossing guard position at that intersection has been eliminated by the Chicago Public School System, under whose jurisdiction the crossing guard program is situated. In a cost-cutting move to reduce a massive budget deficit, CPS has eliminated 102 crossing guards across the city. This has received coverage in a variety of local media outlets in recent days. One of the positions eliminated was at our intersection. Anyone living in this neighborhood understands that a six-cornered intersection can be tricky to navigate, and pose extra risks for children who are walking to and from school. Myself, the school, and the Archdiocese have tried to get CPS to reconsider because the cost savings is miniscule compared to their total budget and the safety of our city's children, but all to no avail.

Secondly, the Chicago Department of Transportation will be installing a bike lane along Wellington Avenue. To do so will require a reconfiguration of vehicular flow, especially approaching the intersection. Specifically, the left turn lane on from Wellington onto northbound Lincoln or Southport will be eliminated. All eastbound traffic – vehicular and cyclists – will be funneled into a single lane on the right side of the street, as the left turn lane will become a "contra-flow" bike lane for cyclists heading west. The reconfiguration of this intersection will increase traffic congestion, especially during the school's arrival and dismissal times. I have had multiple conversations with both the Aldermanic office and CDOT, expressing our legitimate concerns for safety at that intersection, as well as having offered suggestions to accommodate all stakeholders.

While they appreciated our safety concerns – not the least of which was the simultaneous loss of the crossing guard – and will delay the installation of the bike lane for a couple weeks to observe the intersection during peak school times, the bike lane appears to be a fait accompli. So here again, the city making a tricky intersection more hazardous will require drivers and pedestrians to be cautious.

Thirdly, simultaneous to these items, also at the start of the new school year, the gas company will be working on the gas main at the same intersection. Because the work is done by the utility company, the CDOT people were unaware of the gas main work, and the gas company is unconcerned about bike lanes or the loss of crossing guards in construction zones. It's hard not to be cynical when these things happen.

All this is a clear reminder that the source of our hope, the cause of our joy, and the strength of our faith is not found in any bureaucratic governmental system. Instead, we do our best to "persevere in running the race, keeping our eyes fixed on Jesus, who is the leader and perfecter of faith" — which is the call we hear in Sunday's 2nd reading.

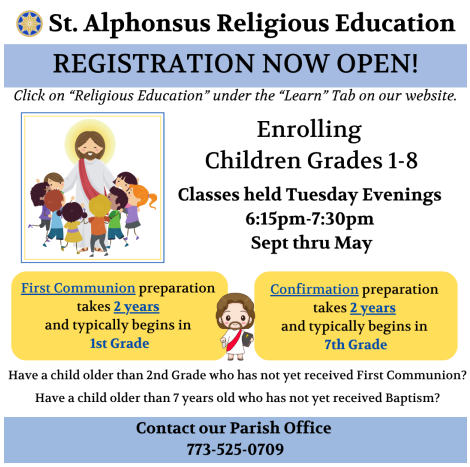

Keeping our eyes fixed on Jesus means looking upwards in a spiritual metaphorical sense. Because looking up to the skies this weekend we won't see angels or Jesus, we're more likely to see the Thunderbirds and other jets roar around and above us.

Speaking of which, did you hear one of the fighter jet pilots is in his late 60s? His call sign is "sonic boomer."

Faith Formation

Religious Education 2025-2026 Registration

On the St. Alphonsus Website, click on the "Learn" tab, and then click "Religious Education." Scroll down to learn more about our program, register, and pay tuition.

Did you know that preparation for both First Communion and Confirmation is a 2 year process?

First Communion preparation typically begins in 1st Grade and Confirmation preparation typically begins in 7th Grade.

If you have a child that is older than 2nd Grade and has not yet received First Communion or a child that is older than 7 years old and has not yet received Baptism, contact Brooks, brobinson@stalphonsuschicago.church

Catechists for Religious Education

Our Church needs you! A catechist is someone who loves their Catholic faith, has a desire to share that faith with our youngest Church members, and who also desires to continually deepen their own faith as well! Being a catechist is a rewarding gift that you both give to our next generation and that you receive as you see little hearts open and burn with the love of God. **God created you to reveal a unique part of His heart to the world, and this is your opportunity to share that part of God's heart with others**. Classes held Tuesday Evenings 6:15 PM-7:30 PM, Sept thru May; Grades 1-8.

Are you Called to be a Catechist? Remember that God does not call the qualified, He qualifies the called!

Consistent support from the RE Coordinator is also given to each catechist to help ensure that classes go smoothly. Check out our website for more information and contact Steven Torres, storres@stalphonsuschicago.church

News and Events

Are You Ready to Become Catholic?

Registration is open for Order of Christian Initiation of Adults (O.C.I.A.) Each year we are blessed with several individuals who desire to enter and learn more about the Catholic faith. The OCIA program is the study of the Catholic Faith and the process of introduction into the faith community.

This class is offered for adults in three situations:

1. Un-baptized adults who desire to be baptized in the Catholic Church.
2. Baptized non-Catholic Christians who desire to be formally admitted into communion with the Catholic Church.
3. Baptized Catholics who have not yet been confirmed and desire to receive the Sacrament of Confirmation.

Adult baptism (and if applicable, Confirmation and First Holy Communion) takes place at the Easter Vigil (Evening before Easter Sunday). It is one of the highest celebrations in the Catholic Church's liturgical year! If you or someone you know is interested in taking the class, please contact our pastoral associate, Brooks Robinson at brobinson@stalphonsuschicago.church

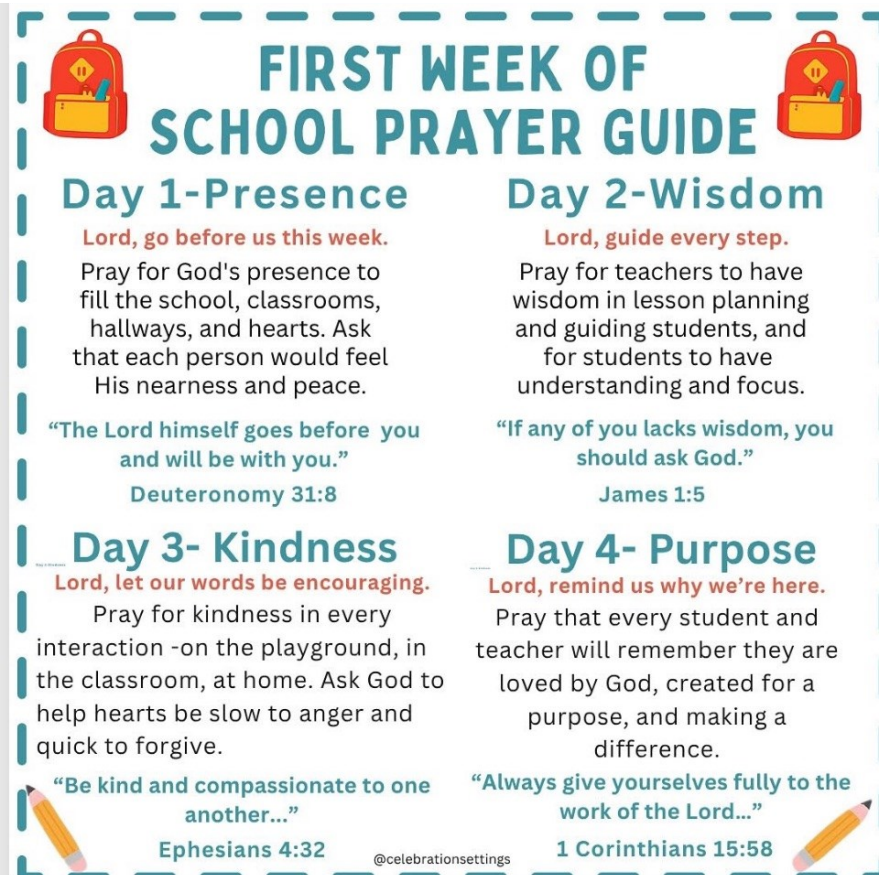

Volunteer at Mass as a Lector!

Our parish is in need of Lectors, especially at the 11 AM Mass. Lectors proclaim the Scripture readings of the day so that all may hear God's word. Lector training only takes about an hour of your time. A workbook with all readings for the year, helpful advice, and interpretive information is also provided. Most lectors are scheduled to read at mass about once a month. If you are interested, contact coordinator Barbara Scharres, bscharres@hotmail.com, to learn more details and be scheduled for an individual training session.

Recovery Programs at St. Alphonsus

If you or loved ones you know have a problem with alcohol/substance abuse, please seek help! Our parish hosts two AA programs, Daily Reflections and Young People's Big Book AA Group. Daily Reflections meets on Monday mornings at 8:30 AM in the rectory 1st Fl. dining room. You may contact Lauren Merrill Sammis at lauren.merrill@live.com for more information.

Young People's Big Book AA Group meets Sunday evenings at 7 PM in the Festival Hall. Contact coordinator Denver Baker, dtbaker97@gmail.com.

Men's Group

St. Alphonsus Men's Group meets Thursday nights to pray the liturgy of the hours, have fellowship, and to propose challenging topics to discuss.

When great conversations happen, synergy that creates connections and helps values be shared develops. *Proverbs 27:17* describes this as two iron tools being sharpened and made more effective. The same applies with friends coming into contact, sharpening and encouraging each other to greater service.

We meet every Thursday night at 7 PM in the rectory. Food and drinks provided. All men are welcome, with most men being in their 20s and 30s. Access can be gained at the west facing rectory door in the parking lot.

For questions or more information, contact Men's Group at our email, divineofficers@gmail.com

Gospel Reflection

"Do you think that I have come to establish peace on the earth? No, I tell you, but rather division. From now on a household of five will be divided, three against two and two against three; a father will be divided against his son and a son against his father, a mother against her daughter and a daughter against her mother, a mother-in-law against her daughter-in-law and a daughter-in-law against her mother-in-law." Luke 12:51–53

Spiritual Unity

Jesus introduces this passage by saying, "I have come to set the earth on fire, and how I wish it were already blazing!" The "fire" of which He speaks is His purifying fire of mercy that He poured forth from the Cross as He offered His life for the salvation of the world. His mercy is given to free us from our sins and to cleanse our souls so that God Himself can come to dwell within us. This is why we exist. God wants to dwell within us, and He wants us to be in perfect union with Him.

One of the glorious effects of uniting yourself to God is that this union also brings about a spiritual bond with others who are united to God. We are made for communion with God, but also for communion with each other. God especially invites family members to share in this unity. Though there are many levels of friendship and unity we can have with each other, the deepest bonds come from two souls each being united to God. For example, two people may both like the same sports team or have the same interests, resulting in a bond or form of friendship. This is good. But when each of those friends also is deeply united to God, the unity comes from God and not from something more superficial.

The challenging Gospel passage above reveals to us what happens when one or more members of a household fail to open themselves to the cleansing fire of God's love and, therefore, fail to live in union with God. The result is disunity, at least on the deepest and truest level. God is not the cause of disunity; sin is. When one person is united to God and another is immersed in a life of sin, true spiritual unity is not possible. Of course the two might still share some common interests and might even superficially get along each day, but there will never be an experience of authentic spiritual friendship and communion if God is absent from one or both hearts.

When Jesus says that He has come to establish division within a household, He is simply pointing out that there will indeed be a division within a household when all are not united to God. Additionally, Jesus is warning us that if someone within our household tries to draw us into a life of sin with them, that person's invitation must be rejected. And when that happens, that rejection is often experienced as a rejection of the person and results in even greater disunity. The bottom line is that it is not possible to be authentically united in sin or any form of lie.

Reflect, today, upon the deepest spiritual desire you have. If you are honest with yourself, you will discover that this deepest desire in your heart is the desire for love. We are made to give and receive love. First, this desire is fulfilled by opening ourselves to the love of God. When that happens, we will be able to share God's love with others and receive God's love from them. Nothing in life could be more fulfilling than this.

Most merciful Lord, You came to unite all people in Your love, but when Your love is rejected we live in disunity. Please come to me and dwell more fully within me so that Your presence in my life will not only bring about a spiritual communion with You, but also with those who share this same love.
Jesus, I trust in You.

How to Offer a Mass Intention

Have you ever noticed that every Mass said here at St. Alphonsus is offered for a special intention? The entire congregation prays for that intention during the petitions (Prayers of the Faithful) when we say, "For those who have died, and for the intention of this Mass: (named intention)"

You can make a Mass Intention request here. Masses are often offered for family, friends and relatives that have died. Praying for the dead is a Spiritual Work of Mercy. Offering a Mass for someone that has died is an especially comforting gesture to the family. Mass can also be offered to commemorate joyful occasions and to give thanks to God for blessings received.

The customary offering for a Mass is $15. However, any amount that you would like to offer is acceptable. You can request Masses by visiting the Parish Office during office hours or calling the Parish Office at (773) 525-0709.

You can ***register in the parish*** by coming to the rectory office or going online at *www.stalphonsuschicago.org*. The advantage to registering is that we know who you are and can better plan our programs by knowing whom we serve.

Want *to find out what is happening in the young adult community?* Join the St. Al's Young Adult Listserv. We send out monthly emails to let people know about our upcoming events. To register for the listserv, contact *stalphonsusyam@gmail.com*
