

# Growing *in Grace*

## Gratitude *and* Forgiveness

Paul of Tarsus, when writing to the feisty & feuding earliest Christians, repeatedly spoke of gratitude & forgiveness. It's a spiritual path, easy to remember. Join us with **Fr. Ken Simpson** on this 2-part journey as we reflect, discuss, & practice these two pillars of faith.

### March 2 - Gratitude

*Let us give thanks to the Lord. It is right and just. It IS truly right and just, our duty and salvation, always and everywhere, to give thanks.*

-Preface dialogue at Mass

*The root of joy is gratefulness. It is not joy that makes us grateful; it is gratitude that makes us joyful.*

- Br. David Steindl-Rast

### March 9 - Forgiveness

Consider the advantages and disadvantages of forgiveness... then decide.
