

Course of Study Satellite School

Wesley Theological Seminary is proud to announce the opening of the Upper New York Satellite School for the Course of Study Program in the 2019 fall term. This school will be held in the state of the art classrooms at the Upper New York conference center in Liverpool, NY. We will begin by offering three sessions: fall, winter and spring with three course for each session. This is in response to the data we received from the former Buffalo school and follows the pattern of courses taken by students. Wesley will watch the enrollment and depending on demand we will add courses as needed.

A course schedule for the first two years (on the second page of the schedule) and registration information is available on the Wesley website [here](#). Click the drop down menu for the "Upper New York Satellite School". A pdf fillable registration form is available under "registration forms". This registration form can be either completed on-line and emailed to your DS or printed and completed by hand and mailed to your district office. Once the DS has signed the form, the district office will mail the registration form to the COS registrar at:

COS registrar: Betsy O'Flynn
1050 East Avenue
Rochester, NY 14607

The COS registrar will forward the completed form on to Wesley Seminary.

The deadline for registration for the first term is September 30, 2019.

Please note the following changes for registration:

Please check the website for registration deadlines. Forms received after the deadline will be returned to the student. Please allow yourself time to get the required signatures needed. Course information available at www.wesleyseminary.edu on the Course of Study page and/or on Blackboard.

Student ID's:

All Course of study student have two student ID's. One for Wesley Theological Seminary (student ID) and one for the GBHEM (PID). **Students must provide the PID from the GBHEM on their registration forms. This is a new policy from the GBHEM. You may obtain your PID by contacting Pamela Frost at COSRegistrar@GBHEM.org**. If you do not know your Wesley ID, we can look that up in our system.

Costs: Registration fee and tuition will be billed directly to the student through the WTS business office. Students need to keep up with your balance. We cannot register you if you have a balance of more than one course on your account. Students are responsible for contacting their conference to obtain any conference monies to assist with the cost of the program.

We are still working on details for this new program – please stay tuned for more information in the weeks ahead. Any questions, please feel free to contact the COS registrar, Betsy O'Flynn at candidacy@unyumc.org or 585-340-9558.
