

# Where can science take you?

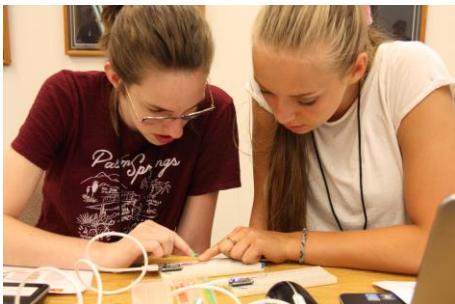

**Monday, July 15 – Wednesday, July 17, 2019**

Day 1 (July 15) – Registration begins at 8:00 a.m.

Daily Sessions: 8:30 a.m. – 4:30 p.m.

U of M Southwest Research & Outreach Center  
23669 130th St., Lamberton, MN 56152

**Explore science-based career opportunities in environmental & agricultural science, chemistry, engineering, food science, and biology/microbiology!**

*University on the Prairie* immerses students entering 7-12 in three days of hands-on activities that show you what you can do with a science education.

You will explore science-based career opportunities related to Chemistry, Engineering, Environmental & Agricultural Science, Food Science, and Biology/Microbiology each day.

By conducting experiments, participating in hands-on labs, and learning new skills from professionals working in science fields, you will increase your understanding of science and find out what potential career options interest you most!

All *University on the Prairie* activities take place in the classrooms, labs and the great outdoors at the Southwest Research & Outreach Center facilities.

Each career track is led by enthusiastic faculty from the Univ. of MN, SDSU, SWROC staff, graduate students and industry professionals who are highly skilled in their field. These instructors gladly share stories about their own experiences and answer questions on how to get into certain career fields.

**REGISTER TODAY!** The cost to attend *University on the Prairie* is \$75.00. **A limited number of \$50 scholarships are available from the Southwest Regional Sustainable Development**

**Partnership to defray the registration costs.** Scholarships are on a first serve basis. For an application or more information, contact Crystal Reith at [mohrh002@umn.edu](mailto:mohrh002@umn.edu) or 507-831-4022.

**Program fills quickly & registration is capped, so register EARLY!**
