Weekly Summary

Compared to last week's market, the average prices of all weight classes of feeder steers and heifers ended fully firm with the heavier classes showing about \$3 higher. The slaughter cow figures gained about \$4 with the slaughter bulls being mostly steady.

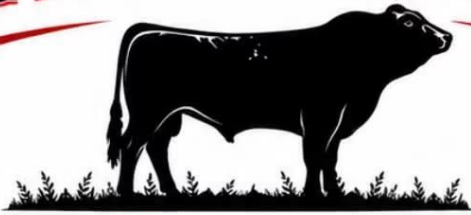

Again it appears the market has found a comfortable position as the figures continue to show to be steady for the past couple of weeks.

COMMENTS

Super smokey market on the yearling alley all day until the last calf! Cattle from 400 to 600 would be \$30 higher consistently on the best end of the steers and bulls. Most other cattle would still be sharply higher. Packer cows and bulls are several dollars higher over last week. A mixed offering of stock cows would reflect a somewhat steady market over the last few weeks. We appreciate everyone on both sides of the ring and we'll see yall next Wednesday!

Attention

Sale starts at 9 am with calves and yearlings, stock cows will follow!

Please have yearlings and cows at the barn by 12:00 on Wednesday!
