Weekly Summary

Today's ending market compared to last week showed all feeder steer and heifer's averages ended \$2 to \$4 higher. Slaughter cows trended firm with last week while the slaughter bulls showed a solid \$8 higher.

The bullish momentum continues as todays closing board figures continue to show underlying support from tight supplies. Last Friday's USDA Cattle on Feed Report was labeled "bullish" as the report showed a 5% placement figure lower than last year.

We will be offering a weaned calve sale next Tuesday. Please call us by 5:00 Friday if you are consigning and delivery by 12:00 Noon Sunday.

COMMENTS

Very strong market all the way across the board today. Most of the lighter cattle would be a few dollars higher and packer cows cheaper in the middle but higher on the top end. The better end of replacement cows are still in very high demand. We appreciate everyone who takes part and look forward to next week!
