Weekly Summary

Compared to last week's market, the average prices of all weight classes of feeder steers and heifers ended fully $4 to $6 higher on the front-end classes. Slaughter cows and bulls continue to take a hit as most auctions are well running a larger volume of both cows and bulls leaving it a buyer's market.

Again, we are witnessing the better quality feeder calves are much in demand and the gap between them and the plainer classes is widening as buyers are exposed to larger volumes this time of the year.

COMMENTS

Overall calf market would be 10 cwt higher over last weeks cattle. The gap between plainer, fleshier, or bull calves has gotten bigger as buyers fight these October temperature swings. Replacement cows would be pretty steady to recent weeks. Packers mostly steady with several dollars added on the feeder cows. We appreciate everyone and will see yall next Wednesday!

Attention

Sale starts at 9 am with calves and yearlings, stock cows will follow!
Please have yearlings and cows at the barn by 12:00 on Wednesday!
